From the moment you step on the Preserve, a spectacular panorama of hundreds of varieties of prairie grasses and colorful wildflowers unfold. You can find insects, lizards and snakes, as well as birds, including hawks, wild turkey and falcons. We'll watch for wildlife, such as deer, fox, bobcats and coyotes, and we might even catch a glimpse of the new herd of bison that were reintroduced to the Preserve. Upon arriving we will view a short orientation video in the barn. Following the video, we will enjoy a tour of historic buildings on site, including the ranch house and stone barn. We will also enjoy a bus tour of the Prairie Preserve.

After the Preserve, we will head into **Cottonwood Falls** for your included **lunch and homemade dessert at the Grand Central Hotel**. After lunch, we will **tour the historic Chase County Courthouse**. Built in 1873, it is the oldest courthouse still in use in Kansas. We will do a little shopping in the quaint shops before returning home with memories of a fun-filled day. We plan on arriving back in Topeka around 6 PM, Lawrence around 6:45 PM and Overland Park around 7:45 PM.
