Don't forget to enter my name
as your designated loan officer.

Welcome to Capitol Federal, and thank you for visiting my website.

Whether you are an experienced homeowner or purchasing your first home, Capitol Federal and I are here to serve you. I would like to meet with you and get to know you as I explain the many diverse loan programs offered by Capitol Federal and designed to meet your specific needs.

Today, Realtors require buyers to be Pre-Approved before writing a contract to purchase a home. Call me or complete your application online at capfed.com, listing me as your loan officer. Then, I will be happy to begin working on your Pre-Approval immediately.

I have been providing home loans to customers like you for over 30 years in the Wichita community, first through Mid Kansas Federal Savings and Loan, then as owner of Mortgage Centre for 15 years and now as a Senior Mortgage Consultant with Capitol Federal. I graduated from Wichita High School Southeast and Wichita State University with a degree in Business Administration. I really enjoy helping people reach their goal of moving into their dream home.

Capitol Federal considers "Commitment to Community" vital to its tradition. This commitment is a part of its corporate principles, and management promotes involvement in community and housing relations and activities. My community activities have included participation with:

Board member of the American Red Cross Midway Kansas Chapter

Board member and president of Family Consultation Service

I look forward to working with you to secure your home loan. I will do all possible to make the process seamless and painless.
