Don't forget to enter my name  
as your designated loan officer.

Welcome to Capitol Federal, and thank you for visiting my website.

Whether you are an experienced homeowner or purchasing your first home, Capitol Federal and I are here to serve you. I would enjoy meeting with you and getting to know you as I explain the many diverse loan programs offered by Capitol Federal and especially designed to meet your personal needs.

My career has been to serve mortgage lending customers. Prior to joining Capitol Federal in August 1998, I was a loan officer, mortgage department manager, underwriter and quality control officer. I offer the experience and understanding I gained over the years to each customer I meet. I am especially proud of my staff who work with me night and day to assure our customers the best in quality customer service.

Capitol Federal considers "Commitment to Community" vital to its tradition. This commitment is a part of its corporate principles, and management promotes involvement in community and housing relations and activities. Through Capitol Federal Foundation, the Bank is able to further support community involvement. Personally, I am a five-time recipient of the Capitol Federal Chairman Achievement Award. My community support includes:

- United Way Citizen Review Panel
- Past board member of Housing & Credit Counseling Inc. (HCCI)
- Past member of Association of Professional Mortgage Women
- Past member of the Women's Council of Realtors

I consider it a privilege to volunteer for my community, and I appreciate all I have gained and learned from these associations.

I want to help make your hopes and dreams come true for yourself and your family. Contact me today, and let's get started.
