Don't forget to enter my name  
as your designated loan  
officer.

Welcome to Capitol Federal, and thank you for visiting my website.

Whether you are an experienced homeowner or purchasing your first home, Capitol Federal and I are here to serve you. I would enjoy meeting with you and getting to know you as I explain the many diverse loan programs offered by Capitol Federal and especially designed to meet your personal needs.

There truly is “no place like home!” I am a native Kansan; born and raised in Wichita, and attended Wichita State University. My husband, Robert, and I have raised our two daughters here. Banking is my life; I joined Capitol Federal in February 1991, bringing with me 13 years of banking experience. In 1998, I became involved in mortgage lending, as an assistant branch manager and loan officer. My lending experience continued as I was appointed to vice president/branch manager in March 1999. Because of my broad knowledge in banking, both retail and lending, I am able to guide you through the process of achieving your financial goals.

Capitol Federal considers “Commitment to Community” vital to its tradition. This commitment is a part of its corporate principles, and management promotes involvement in community and housing relations and activities. Through Capitol Federal Foundation, the Bank is able to further support community involvement. My community support includes:

- Junior Achievement
- American Cancer Society
- Assistance League of Wichita
- United Way of the Plains

I consider it a privilege to volunteer for my community, and I appreciate all I have gained and learned from these associations.

I believe my job is to establish a partnership with the customer and Capitol Federal that will last for many years. Repeat business and personal referrals are the bulk of my business. Customers appreciate my professionalism, enthusiasm, and integrity. Obtaining a home loan can and should be a seamless process – with no surprises at the end! Let me show you how easy it is! Contact me today and let's get started, because there is no place like YOUR home!
