Welcome to Capitol Federal, and thank you for visiting my website.

Whether you are an experienced homeowner or purchasing your first home, Capitol Federal and I are here to serve you. I would enjoy meeting with you and getting to know you as I explain the many diverse loan programs offered by Capitol Federal and especially designed to meet your personal needs.

Following my 1988 graduation from Bartlesville Wesleyan College, Bartlesville, Oklahoma, with a degree in Business Administration, I joined the mortgage lending department of Capitol Federal Savings – and here I've stayed. During my Capitol Federal career, I also served as construction loan department underwriter and manager prior to becoming a Sr. Mortgage Consultant in April 2004. When discussing lending needs, my knowledge of all lending areas of the business provides an added value for my customers.

Capitol Federal considers "Commitment to Community" vital to its tradition. This commitment is a part of its corporate principles, and management promotes involvement in community and housing relations and activities. Through Capitol Federal Foundation, the Bank is able to further support community involvement. Personally, I am a member of Capitol Federal's Leadership Forum class and currently serve as a member of the Leadership Forum board. My community support includes:

- National Association of the Remodeling Industry (NARI) member and Finance Committee member
- Home Builders Association (HBA) member

I consider it a privilege to volunteer for my community and industry, and I appreciate all I have gained and learned from these associations.

I believe my job is to facilitate a smooth home buying process. Your job will be to start packing! Contact me today, and let's get started.
