Don't forget to enter my name  
as your designated loan officer.

Welcome to Capitol Federal, and thank you for visiting my website.

Whether you are an experienced homeowner or purchasing your first home, Capitol Federal and I are here to serve you. I would enjoy meeting with you and getting to know you as I explain the many diverse loan programs offered by Capitol Federal and especially designed to meet your personal needs.

Beginning my Capitol Federal career in 1974 within retail operations provided me the opportunity of developing a unique understanding of both the retail and lending areas and how they can work together to meet your financial goals. With 31 years in the banking and lending business, I have the knowledge and expertise needed for a successful home buying experience.

Capitol Federal considers “Commitment to Community” vital to its tradition. This commitment is a part of its corporate principles, and management promotes involvement in community and housing relations and activities. Through Capitol Federal Foundation, the Bank is able to further support community involvement.

I believe my job is to facilitate a smooth home buying process. Your job will be to start packing! Contact me today, and let's get started.
