Don't forget to enter my name
as your designated loan officer.

Welcome to Capitol Federal, and thank you for visiting my website.

Whether you are an experienced homeowner or purchasing your first home, Capitol Federal and I are here to serve you. I would enjoy meeting with you and getting to know you as I explain the many diverse loan programs offered by Capitol Federal and especially designed to meet your personal needs.

It's amazing how life works out. I received my Bachelor of Arts degree in Spanish and French, with a minor in math, and became a broker/owner of KSB Realty in Topeka. When my husband and I moved to Wichita in 1985, I joined Capitol Federal as a management trainee in lending operations. My Realtor and mortgage lending experiences provide me with an overall understanding of just what home buyers feel when purchasing a home. This knowledge allows me to work in partnership with each home buyer, developing a lending plan exclusively for each of them.

Capitol Federal considers "Commitment to Community" vital to its tradition. This commitment is a part of its corporate principles, and management promotes involvement in community and housing relations and activities. Through Capitol Federal Foundation, the Bank is able to further support community involvement. Personally, I received the Capitol Federal Chairman Achievement Award for the past 15 years, and also I am a recipient of the Chairman's Certificate of Appreciation Award for Outstanding Volunteer Service. When in Topeka, I was recognized as Rookie of the Month by the Topeka Board of Realtors, and I am listed in *Who's Who Worldwide of Business Leaders*. I also am a recipient of the Governor's Commission on Housing and Homelessness Appreciation Award. My community support includes leadership roles within:

- Wichita Mortgage Bankers Association
- Institute of Financial Education, Wichita Chapter
- City of Wichita Housing Task Force
- City of Wichita Housing Task Force Finance & Funding Committee
- Wichita Area Association of Realtors
- United Way of the Plains
- National Association of Housing & Redevelopment Officials
- Girl Scouts & Boy Scouts
- American Cancer Society
- American Heart Association

I consider it a privilege to volunteer for my community, and I appreciate all I have gained and learned from these associations.

I believe my duty is to be "On Call" for you night and day until the job's done. Your job, though, will be to start packing! Contact me today, and let's get started.
