Don't forget to enter my name  
as your designated loan officer.

Welcome to Capitol Federal, and thank you for visiting my website.

Whether you are an experienced homeowner or purchasing your first home, Capitol Federal and I are here to serve you. I would enjoy meeting with you and getting to know you as I explain the many diverse loan programs offered by Capitol Federal and especially designed to meet your personal needs.

A 1986 Business Administration graduate of the University of Kansas, I brought over 15 years mortgage lending experience with me when I joined Capitol Federal in August 1998. My previous experience included loan origination, processing, underwriting and loan closing. From 1998 to 2002, I served Capitol Federal customers as an originator and closer. In January 2003, I proudly accepted the opportunity to serve as a Capitol Federal Sr. Mortgage Consultant.

Capitol Federal considers "Commitment to Community" vital to its tradition. This commitment is a part of its corporate principles, and management promotes involvement in community and housing relations and activities. Through Capitol Federal Foundation, the Bank is able to further support community involvement. Personally, I am a two-year recipient of the Capitol Federal Chairman Achievement Award, and I am proud to be associated with a lending institution that believes so much in community.

My job is to make your job of purchasing a home run smoothly. I want to become your personal consultant. Contact me today, and let's get started.
