Welcome to Capitol Federal, and thank you for visiting my website.

Whether you are an experienced homeowner or purchasing your first home, Capitol Federal and I are here to serve you. I would enjoy meeting with you and getting to know you as I explain the many diverse loan programs offered by Capitol Federal and especially designed to meet your personal needs.

I began my career with Capitol Federal as a teller in 1993. I made a few stops along the way in consumer lending and mortgage processing, before finding my calling as a Community Lending Specialist. I am a recipient of the Chairman Achievement award and a member of Capitol Federal's 2004 Leadership Forum class.

Capitol Federal considers "Commitment to Community" vital to its tradition. This commitment is a part of its corporate principles, and management promotes involvement in community and housing relations and activities. Through Capitol Federal Foundation, the Bank is able to further support community involvement. Currently, I volunteer at El Centro, teaching financial literacy courses.

I am passionate about the dream of home ownership and helping you achieve it. I am proficient in all phases of mortgage loan origination, specializing in first-time home buyer and down payment assistance programs. I believe it is my responsibility to explain all the loan options Capitol Federal has to offer and help match you with the right loan for your individual needs. Proud of my Hispanic heritage, I hold a Business Administration degree from University Autonoma de Centro America in San Jose, Costa Rica. My ability to speak both English and Spanish allows me the opportunity to provide the Hispanic community with the best possible service. I am here to make your home buying process an enjoyable and comfortable experience.
