Don't forget to enter my name  
as your designated loan officer.

Welcome to Capitol Federal, and thank you for visiting my website.

Whether you are an experienced homeowner or purchasing your first home, Capitol Federal and I are here to serve you. I would enjoy meeting with you and getting to know you as I explain the many diverse loan programs offered by Capitol Federal and especially designed to meet your personal needs.

As a 1997 University of Kansas graduate, with a degree in Business Administration, I know the Lawrence community and what it has to offer homeowners. Beginning my Capitol Federal career in June 1992 within retail operations provided me the opportunity of developing a unique understanding of both the retail and lending areas and how they can work together to meet your financial goals.

Capitol Federal considers “Commitment to Community” vital to its tradition. This commitment is a part of its corporate principles, and management promotes involvement in community and housing relations and activities. Through Capitol Federal Foundation, the Bank is able to further support community involvement. Personally, I am a 1997 INROADS Collegiate Training award recipient, as well as a 1997 Capitol Federal Chairman Achievement award recipient. My community support includes:

- 1998 United Way campaign Loaned Employee
- Capitol Federal United Way campaign committees
- Lawrence Chamber of Commerce
- Junior Achievement
- Lawrence Board of Realtors Community Relations Committee
- Lawrence Board of Realtors Education Committee
- First Time Home Buyer Program

I consider it a privilege to volunteer for my community, and I appreciate all I have gained and learned from these associations.

I believe my job is to facilitate a smooth home buying process. Your job will be to start packing! Contact me today, and let's get started.
