Welcome to Capitol Federal, and thank you for visiting my website.

Whether you are an experienced homeowner or purchasing your first home, Capitol Federal and I are here to serve you. I would enjoy meeting with you and getting to know you as I explain the many diverse loan programs offered by Capitol Federal and especially designed to meet your personal needs.

Following my 1979 graduation from the University of Kansas, where I earned a degree in Business, I joined Capitol Federal – and here I've built my career. I first served customers, both as a branch manager and in administration, then in 2003, I accepted the position of Sr. Mortgage Consultant. My experience provided me the opportunity of developing a unique understanding of both the retail and lending areas and how they can work together to meet a customer's financial goals.

Capitol Federal considers "Commitment to Community" vital to its tradition. This commitment is a part of its corporate principles, and management promotes involvement in community and housing relations and activities. Through Capitol Federal Foundation, the Bank is able to further support community involvement. My community support includes:

- Shawnee Mission Northwest Booster Club
- Shawnee Kiwanis Club
- Earlybird Toastmaster Club

I consider it a privilege to volunteer for my community, and I appreciate all I have gained and learned from these associations.

I believe that "Coming Together is a Beginning; Working Together is Success." I would like to serve you as your loan agent. Let's get together to make your hopes and dreams for yourself and your family a reality. Contact me today, and let's get started.
