Don't forget to enter my name
as your designated loan officer.

Welcome to Capitol Federal, and thank you for visiting my website.

Whether you are an experienced homeowner or purchasing your first home, Capitol Federal and I are here to serve you. I would enjoy meeting with you and getting to know you as I explain the many diverse loan programs offered by Capitol Federal and especially designed to meet your personal needs.

I joined the Capitol Federal team in June 1977 as a teller and worked my way into mortgage lending in 1994. Along with my lending duties, I serve as Community Development Manager, working with community groups, city and state officials and non-profit organizations to determine and assess their respective area's housing and credit needs. I also am a proud Capitol Federal Chairman Achievement Award recipient.

Capitol Federal considers "Commitment to Community" vital to its tradition. This commitment is a part of its corporate principles, and management promotes involvement in community and housing relations and activities. Through Capitol Federal Foundation, the Bank is able to further support community involvement. I agree with Capitol Federal's philosophy and serve on the board of directors for several community organizations, including Housing and Credit Counseling Inc. (HCCI), Topeka Development Corporation, The Links, Boys' and Girls' Club and the Topeka Chapter of the National Association for the Advancement of Colored People (NAACP). I am also a member of the American Business Women's Association and the Professional Mortgage Women's Association.

I know that not everyone is a mortgage loan officer and that buying a home, whether it is your first or fifth, can be confusing. I am here to walk you through all your loan options and help you choose the right fit. I will be your partner through the process, from beginning to end. Let my experience and knowledge work for you so you can sit back, relax and enjoy your new home.
