Welcome to Capitol Federal, and thank you for visiting my website.

Whether you are an experienced homeowner or purchasing your first home, Capitol Federal and I are here to serve you. I would enjoy meeting with you and getting to know you as I explain the many diverse loan programs offered by Capitol Federal and especially designed to meet your personal needs.

I began my career with Capitol Federal in September 1985, bringing with me seven years' experience in retail operations. Soon, I transferred to the mortgage lending department and found my home! My experience, though, within retail provided me the opportunity of developing a unique understanding of both the retail and lending areas and how they can work together to meet your financial goals.

Capitol Federal considers "Commitment to Community" vital to its tradition. This commitment is a part of its corporate principles, and management promotes involvement in community and housing relations and activities. Through Capitol Federal Foundation, the Bank is able to further support community involvement. Personally, I am very proud of my 20 years with Capitol Federal. Its strength and its integrity are unmatched in the business.

I believe my job is to introduce you to the vast array of lending products offered by Capitol Federal and matching the right product with your needs. I'm here to serve you! Contact me today, and let's get started.
