Don't forget to enter my name
as your designated loan officer.

Welcome to Capitol Federal, and thank you for visiting my website.

Whether you are an experienced homeowner or purchasing your first home, Capitol Federal and I are here to serve you. I would enjoy meeting with you and getting to know you as I explain the many diverse loan programs offered by Capitol Federal and especially designed to meet your personal needs.

I became part of the Capitol Federal team in June 2003 as Community Development Manager, bringing with me 17 years of banking experience. As Community Development Manager, I originate mortgage loans and promote Capitol Federal's Affordable Housing Loans and housing grant programs, including special lending initiatives for low-to-moderate income and minority members of the community. I also work with community groups, city and state officials and non-profit organizations to determine and assess their respective area's housing and credit needs and develop, build and establish relationships with local leaders on behalf of Capitol Federal. From these interactions, we have worked to develop several initiatives such as the McAdams Neighborhood Project and the Home-at-Last programs in Wichita.

Capitol Federal considers "Commitment to Community" vital to its tradition. This commitment is a part of its corporate principles, and management promotes involvement in community and housing relations and activities. Through Capitol Federal Foundation, the Bank is able to further support community involvement. Personally, I love the Wichita community and provide support through the following organizations:

- Kansas African American Museum
- Buckner Elementary - school mentor
- Delta Sigma Theta Sorority, Inc.
- Wichita Association of Colored Women's Club – Outstanding Achievement for Community Award
- Wee & Seed Program – Committee Member
- Urban League of the MidPlains – Board Member
- Boys & Girls Club of South Central Kansas – Board Member
- Wichita Minority Business Development Council – Board Member
- Young Roses Mentoring Program – Dellrose UMC/mentor
- Wichita Festivals Inc. – Volunteer Committee Member
- Program Coordinating Committee of Wichita Housing Authority – Committee Member

It is my desire to create a lifetime relationship with you. The first step to this partnership is to make the purchase of your home a totally successful experience. I am here to help you succeed with this home, and any that may follow. Call me today and let's get started.
